

OUR STORY

Founded in 1999 by a team of skilled nursing facility administrators, owners, and therapists we've made it our business to know your business inside and out.

Allied Health Resources provides exceptional support to skilled nursing and acute care facilities across the Southeast. We specialize in respiratory, wound care, support surfaces and custom uniform programs. AHR delivers high quality equipment, cost-effective products, and outstanding clinical support.

We are more than just an equipment and maintenance company. Our educational, therapeutic approach can enhance your business.

AHR is dedicated to serving your staff at the highest level, resulting in excellent outcomes for your patients. We are focused, driven, and committed to empowering your facility and staff. We provide a strong foundation of educational training and support for our products.
