

A UNIQUE HYBRID PROGRAM THAT BLENDS ONLINE
COURSEWORK WITH IN-PERSON CLINICAL TRAINING
502.221.7765

READY TO GROW YOUR OWN CLINICAL WORKFORCE?

CNAonline.com has partnered with the American Health Care Association (AHCA) to provide state affiliates with a revolutionary workforce solution that addresses the current clinical staffing shortage. This unique blended training program provides flexibility, quality, and convenience for students and providers, fully preparing students for certification.

CNAOnline has a revolutionary workforce solution for you!

Key Features & Benefits

- Utilizes the latest version of AHCA's renowned **How To Be A Nurse Assistant** curriculum.
- Provides 24/7 student access to all content on laptops, tablets, and smartphones.
- Includes full e-book and audiobook formats.
- Includes practice tests, study guides, and quizzes to ensure student success.
- Incorporates professional instructors for online and in-person clinical training.
- Includes competency-based skills checklists, videos, and visual aids.
- Offers real-time data analytics, including class activity reports and individual student competencies.
- Allows for customization of content for both Affiliate and Provider.
- Ensures quality of training by using an approved, standardized program at all locations.
